

CUSTOM INTEGRATED TECHNOLOGY  
NEWPORT NEWS, VIRGINIA

**Custom Integrated Technology of Newport News, Virginia** has Canon Virginia, Inc. as its parent company. It re-manufactures low-, mid- and high-volume Cannon Copiers. Copiers are evaluated, dis-assembled, cleaned, re-manufactured, adjusted, and tested. Some models are converted to Factory Produced New Models. Copiers that cannot be re-manufactured are dis-assembled and recycled. Custom Integrated Technology supports the Clean Earth Campaign. Custom Integrated Technology holds ISO 14001 certification.

ENVIRONMENTAL PERFORMANCE

*Past Accomplishments*

Custom Integrated Technology has demonstrated its commitment to environmental performance in the areas of reduced total solid waste and reduced water use. Since 1998, the facility has:

- **Reduced total solid waste** generation by increasing recycling by 81.6% through a modified dis-assembly process to improve feasibility of scrap metal recycling.
- **Reduced water use** for landscaping by 33% through a reduced watering schedule for landscape plants.

*Future Commitments*

Custom Integrated Technology has also committed to continued environmental improvement. By 2004, the facility will:

- **Reduce total solid waste** generation by increasing recycling by 23.9% through further improvements in the dis-assembly process to recycle all scrap metal possible.
- **Reduce water use** for landscaping by 3.6% through further reducing the watering duration.
- **Improve habitat** by 200% through building bird houses and maintenance or rebuilding old bird houses.
- **Reduce total solid waste** by reducing alcohol use in cleaning processes to allow a 35.7% reduction in alcohol rag disposal.

COMMUNITY OUTREACH

Custom Integrated Technology has a public relations group that responds to community concerns and inquiries. Employees also participate in numerous community organizations. Custom Integrated Technology plans to make the activities related to their annual report public through Cannon Inc. "Clean Earth Campaign" information and Cannon Inc. (Japan) Environmental Report.
